

Library Volunteers

For nearly 40 years, the Library Volunteer Program has been instrumental in making many areas of the library program more effective, allowing us to reach and benefit even more students throughout the day during library classes. Our volunteers do various jobs, such as working at the computerized circulation desk, shelving books, working with new books and materials, and assisting students.

There are two ways in which a parent may volunteer to help in the library:

1. The library is part of the special area rotation, meaning the library classes meet once every sixth school day. The librarians rely on the assistance of parent volunteers on our busiest library days. Since these dates of the rotation fall on different weekdays each month, volunteers will not be assigned for a specific weekday. Mrs. Vance will send out a sign-up list each month with volunteer dates and times. Volunteers will sign up for a time through the Sign-Up Genius website.
2. Another way to assist as a library volunteer is to help with the Book Fair held in the library. Each class is assigned a time to shop for books and other items at the Book Fair. The proceeds from the Book Fair are used for library books and other materials to benefit the students.

If you would like more information about the Library Volunteer Program, please email the librarians, Elizabeth Oakes (eoakes@brightschool.com) and Jan Vance (jvance@brightschool.com).

Please return this form to the librarians or the front office on Registration Day or at your earliest convenience.
