

The Bright School Birthday Book Club for the past twenty-five years has served as a delightful way to honor your child on his or her birthday. Hundreds of books that otherwise would not have been purchased have been added to our collection as a result. Children who are enrolled in this club select a new book from the library the month of their birthday and are given the opportunity to be the first one to check out this new book. Summer birthdays will also be included. In the front of the book is a special plate with the child's name and birthday. If you would like to

place a book in the library in honor or memory of anyone, it is handled in the same manner. This is also a nice way to remember teachers on special occasions (i.e. Christmas or end of the year gift). This form needs to be fully completed and returned to the school's office by **September 2010** with **\$20** for each book payable to Bright School Library.
