

August 2010

For thirty-three years the Library Volunteer Program has been instrumental in making many areas of the library program more effective allowing us to reach and benefit even more students. A library volunteer is an asset to the school, the library program, and their child.

Our volunteers do various jobs, such as working at the computerized circulation desk, shelving books, working with new books and materials, and assisting students. In organizing this program, the school year is divided into two parts: 1. September through December; 2. January through mid-May. Participants need to sign-up for one or both sessions. You will be scheduled to work one day every other week unless you indicate you would like to work every week. On the attached form, please check all the appropriate boxes indicating your areas of interest in this volunteer program.

If you would like more information about the Library Volunteer Program, please call or email the program coordinator, Jan Vance (605-1521), [jan.vance@comcast.net](mailto:jan.vance@comcast.net). or the school's library (305-6465), [sdoyle@brightschool.com](mailto:sdoyle@brightschool.com).

We need and appreciate your help. Your child enjoys knowing you are volunteering in their library. Hope to see you in the coming year.

The form below needs to be in *the library* during the *first week* of school.
