11:30 a.m. dismissal
Parent-Teacher Conferences

Friday, Feb. 26

No School, Conferences

Lunchroom Royalty

King Chef Dave and Queen Cassie served as King and Queen of Hearts for the beloved annual PreK tradition.

Calling all Parents Willing to Serve

One of the best things about Bright School is the camaraderie and friendship within our community. We are able to accomplish so much while having fun at the same time because lots of parents are willing to volunteer their time as classroom helpers, gardeners, coaches, room representatives and more.

Every parent is automatically a member of the Bright School Parents' Association. Per the Association bylaws, the organization's purpose is as follows:

The purposes of this Association shall be to serve as a vehicle for communication and cooperative effort between the parents of Bright School students, its Faculty, Administration and the Board of Trustees. The Association will coordinate the volunteer effort of the parent community and help educate the entire school about issues pertaining to Bright School.

Each spring, the Parents' Association makes the "Willingness to Serve" forms available to all parents. The form, found under the "Parents" section of the website, lists many volunteer opportunities, with commitments starting at only an hour or two per year.

Please take some time to look over the "Willingness to Serve" form and choose an area in which you can contribute your energy, talents and interests. We would love to have every family involved! Challenge yourself with a leadership role, an event chairman's role or serve on a committee. Turn in forms by March 9.

Bright Bells for Haiti Raises \$3,250

Bright School raised \$3,250 for the Children's Nutrition Program of Haiti. The gift was presented to Deb Hoback, former Bright School parent and board member of CNPH, at a schoolwide assembly.

Thanks to all those who helped!

Submit Box Tops by Feb. 24

(all classes are competing for a surprise party!)

Bright School is enrolled in the General Mills Box Tops for Education program. We can earn money for Bright School - up to \$20,000 per year - just by saving box tops from items we already use. We have already earned more than \$200 in our first submission this year - help us earn even more!

Save the tops, and send them in with your child. Each classroom will have a collection envelope. This is a great way for grandparents, relatives and friends to get involved and help Bright School. Save those tops!

International Passport

Bright School students have demonstrated a keen interest in languages and cultures. Many of our students have gone above and beyond classroom activities and Bright School would like to acknowledge their efforts. Claire Kyzer (German and ELL) and Laura Goetz (Spanish) have created the International Passport program to recognize and encourage our students' interest in the world around them. Students in grades 2 -5 can earn the title of "World Traveler" by completing activities focused on learning about other languages and cultures. For more information, please visit the "Cultivating Citizens of the World" documents found in the KEC section of the website.
