Annual Fund Participation - Help!

As the working mothers of several children here at Bright School, we want to ask a favor.....HELP US! Help us meet the school's Annual Fund goal for this year. Set at \$175,000, we have reached a current level of \$140,000 in gifts and pledges. We need your help to raise the last \$35,000 - it's so important!

By making your pledge or donation today, you will secure many of the fine details and superior attention that Bright School students receive. How many elementary schools are you aware of that offer the diversity and daily consistency that we have....a rich curriculum that includes daily physical education classes, art, music, shop, language, technology - all delivered on a beautiful 22-acre campus that affords us amazing natural surroundings and safety.

We are able to see the smiling faces and intellectual curiosity that Bright School students are known for every minute we work here! Miss Bright's mission for the school is still relevant and vibrant. It is truly a "happy place to which the children gladly come." You can help keep this dream alive by giving today...any amount, large or small, contributes to what we all want for our children...a rich and outstanding education, an opportunity to flourish as citizens of the world, and the development of lifelong friendships.

Please make your Annual Fund gift a priority to help secure the future for the children of Bright School. Give a gift today. Online giving is available, or checks can be made payable to Bright School. The fiscal year ends May 31. Please help!

Submit Box Tops by Feb. 24

(all classes are competing for a surprise party!)

Bright School is enrolled in the General Mills Box Tops for Education program. We can earn money for Bright School - up to \$20,000 per year - just by saving box tops from items we already use. We have already earned more than \$200 in our first submission this year - help us earn even more!

Save the tops, and send them in with your child. Each classroom will have a collection envelope. This is a great way for grandparents, relatives and friends to get involved and help Bright School. Save those tops!
