

The Bright School Book Fair

May 3-7, 2021

Book Fair Procedures

This year, our book fair procedures are slightly altered. Please note the following as students prepare to shop at the book fair in the library. The book fair is a great opportunity for students to find books for summer reading!

- Students will be shopping with their class at a designated time. There will be no before or after school shopping. Our book fair schedule is on the back.
- Unfortunately, there will be no visitors allowed in-person to visit the book fair. If you would like to shop with your child, you can do so virtually with our online book fair.
- If students browse the book fair with their class and decide they would like to purchase books at another time during the week, please email Ms. Oakes.

Purchasing Books at the Book Fair

A great choice for purchasing books is the convenient gift card option. If you would like to preload a gift card for your child, visit the website

You can print your gift card at home and send it with your child. He/She will bring the gift card home if there is a balance.
