

Interested in Reviewing and Sharpening Skills This Summer?

Summer Skills Books are optional resources you can order if you would like to dedicate time to practicing and maintaining math and language arts skills.

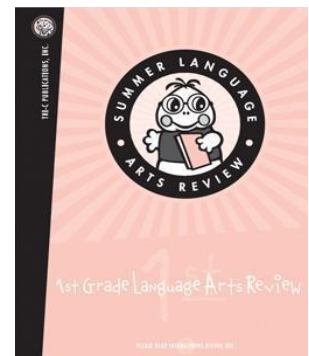

Math Skills Review

- Provides a review of the grade level just completed.
- Contains 30 to 35 lessons of mixed-skills practice.
- Children are exposed to all important concepts over and over in small doses throughout the summer for the ultimate in reinforcement.
- Is meant to be used 3 - 4 times per week for 10 weeks so that students are exposed to all important concepts from the beginning of summer to the end.
- Includes tutorial help pages for students and parents to review the mechanics of each type of problem encountered in the book.

Language Arts Review

- Provides a quick refresher of the grade level just completed.
- Contains 30 lessons of mixed skills practice.
- Is meant to be used 3 times per week for 10 weeks so that students are exposed to all important concepts from the beginning of the summer to the end.
- Most lessons take only about 30 minutes.
- Covers the important elements of reading, writing, phonics, grammar and more.
- Includes an answer key and grade appropriate reading list.
